Any Time is Travel Time

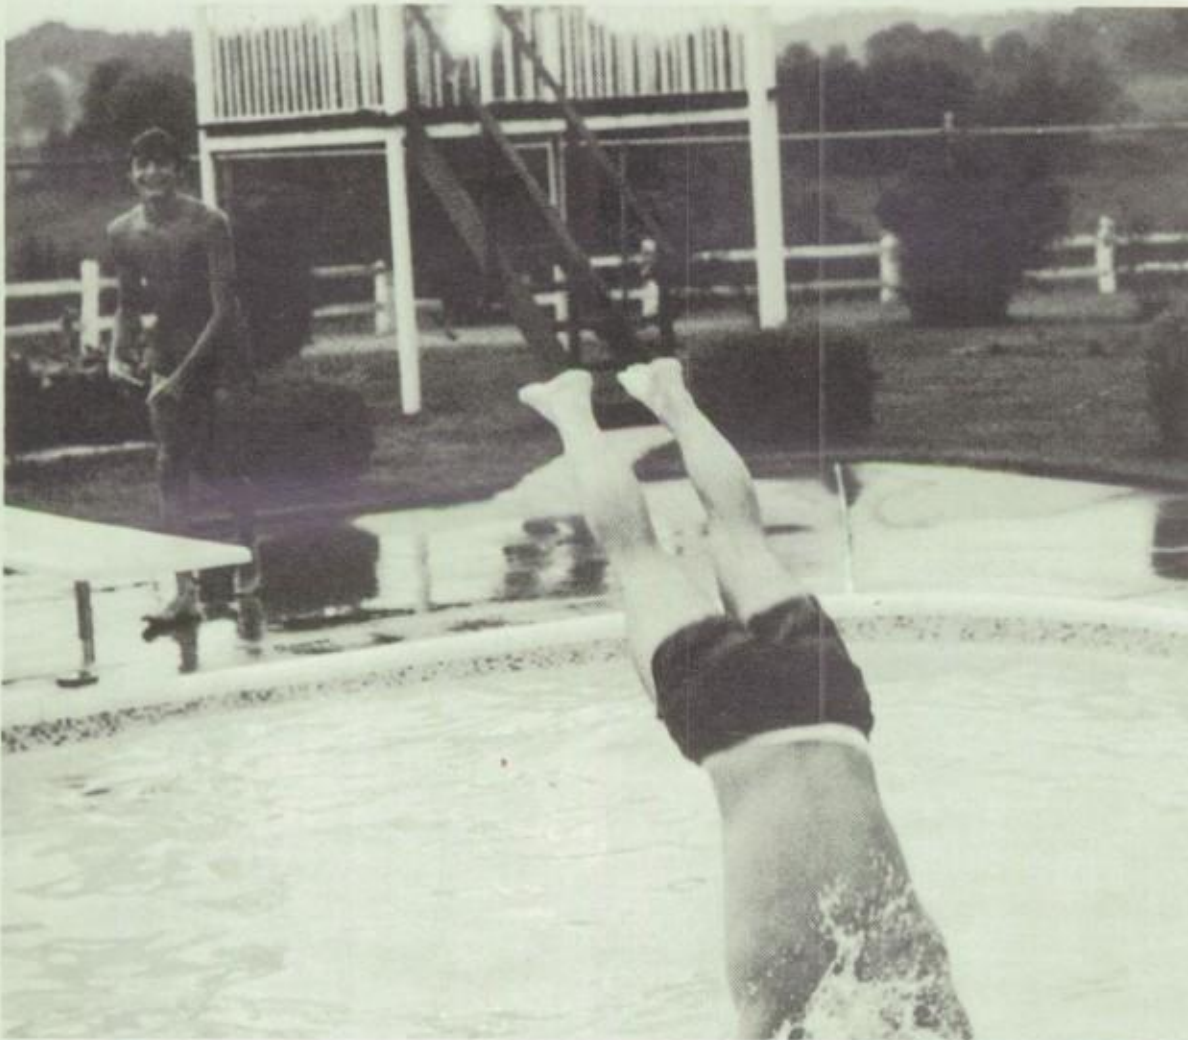

... to Hawaii, Quebec City, Italy, France or Switzerland ... it makes learning fun!

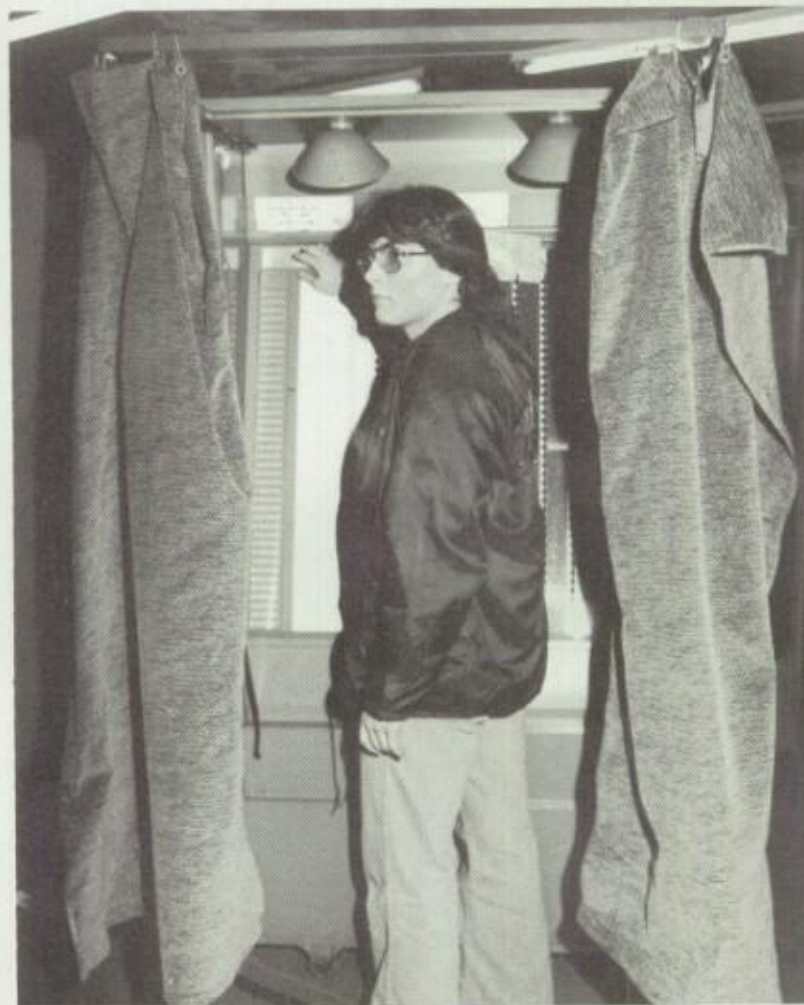

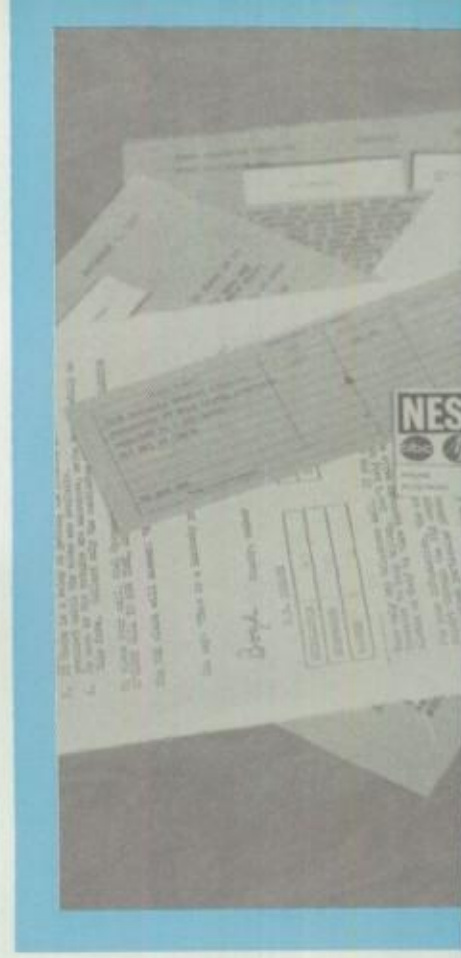

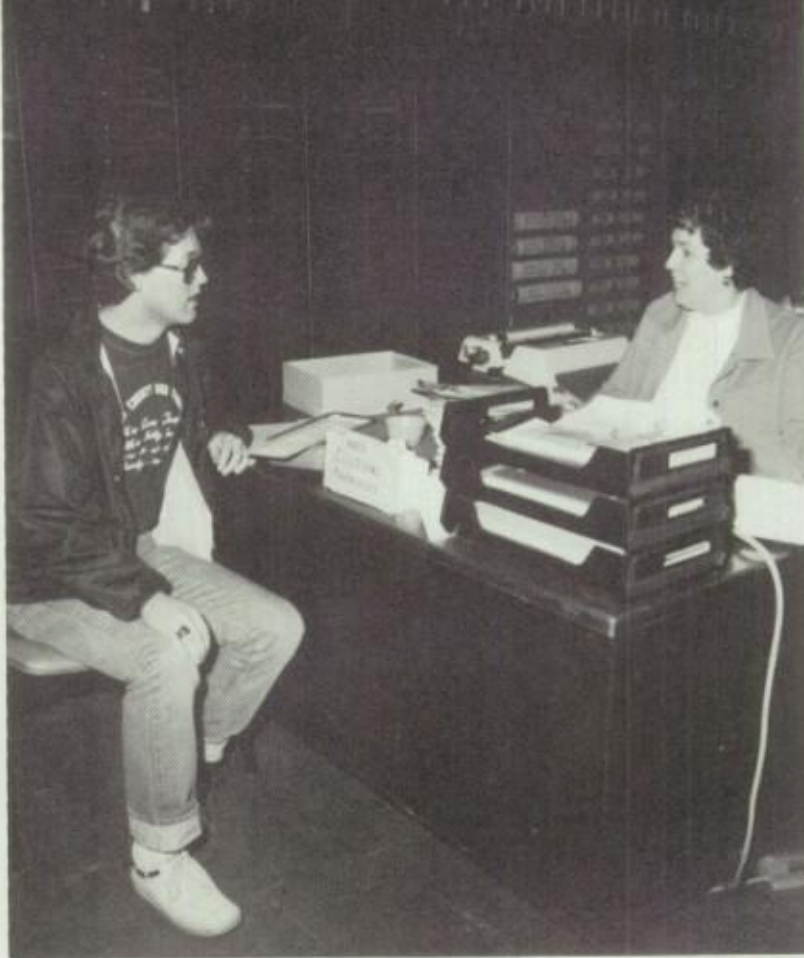

Summer comes and everyone scatters! We wanted to show things our kids do in summer, such as swimming, traveling, and the like, but we couldn't find very many kids who would stay still long enough for us to snap them.

VOTING . . . IT'S THE AMERICAN WAY!

As a child, within our own family, we sometimes had the opportunity to vote whether we would do this or that, choose this or that. In school we voted — often — sometimes who would be "it", who would be captain, king, queen, first, second, prettiest, most handsome, etc. In high school we had elections for student council. We offered ourselves as candidates for whatever office we thought we were most qualified, and campaigned for that office. Voting was done on the stage during lunch periods.

When the magic age of 18 came, we went to the Court House to register, and then to the polling places to vote. Anxiously we waited to see how our "candidate" had fared. The Young Historians club again this year participated in "operation vote gathering". Working for the Network Election Service, club members picked up final vote tabulations from precincts, called the vote to a tabulation point in New York and then sat back and watched as the television news flashed the Kentucky returns.

It was nice to meet and chat with an elected official, such as Sheriff Tom Jackson.

BEAT ASHLAND BEAT ASHLAND BEAT ASHLAND BEAT ASHLAND BEAT ASHLAND BEAT ASHLAND

Beat Ashland Week was just as big this year as in the past. "Clash Day," is "Hat Day" and the two favorites "Fifties" Day and "Farmers Day" went over with a BANG! The Lions thumped the Tomcats, which was a perfect way to end "Beat Ashland" Week.

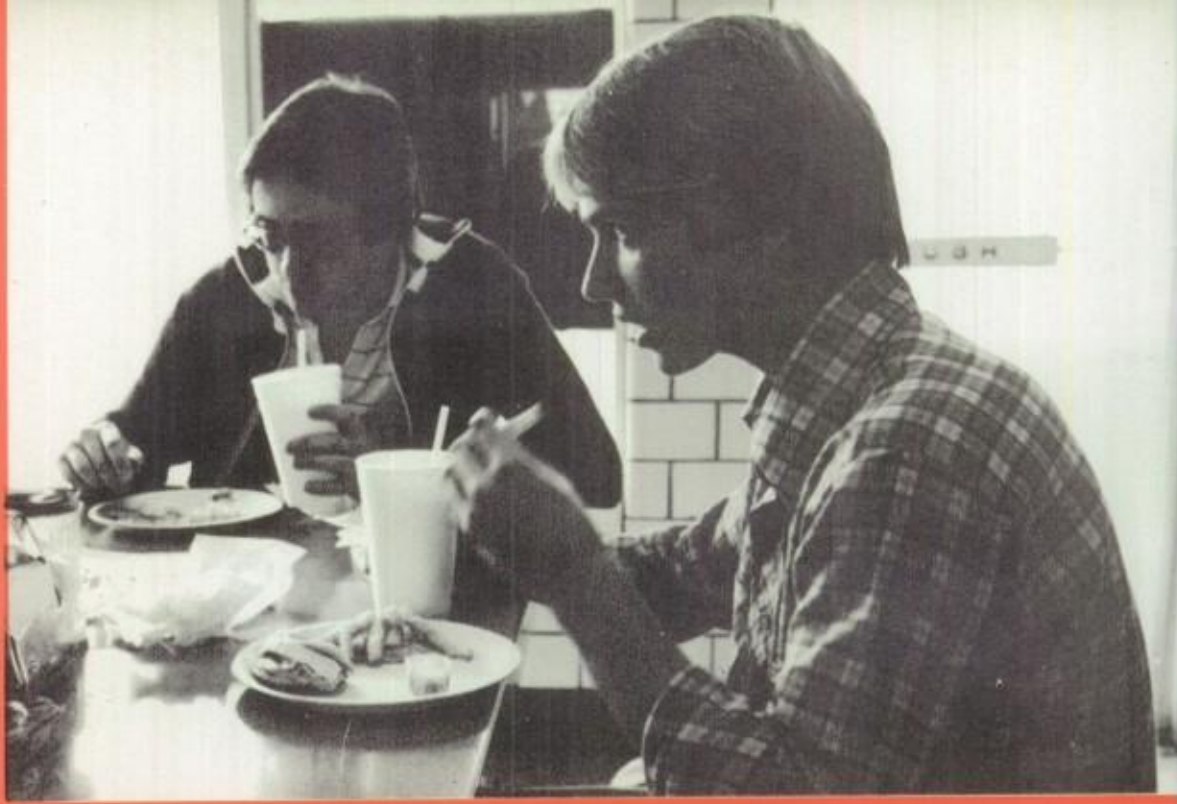

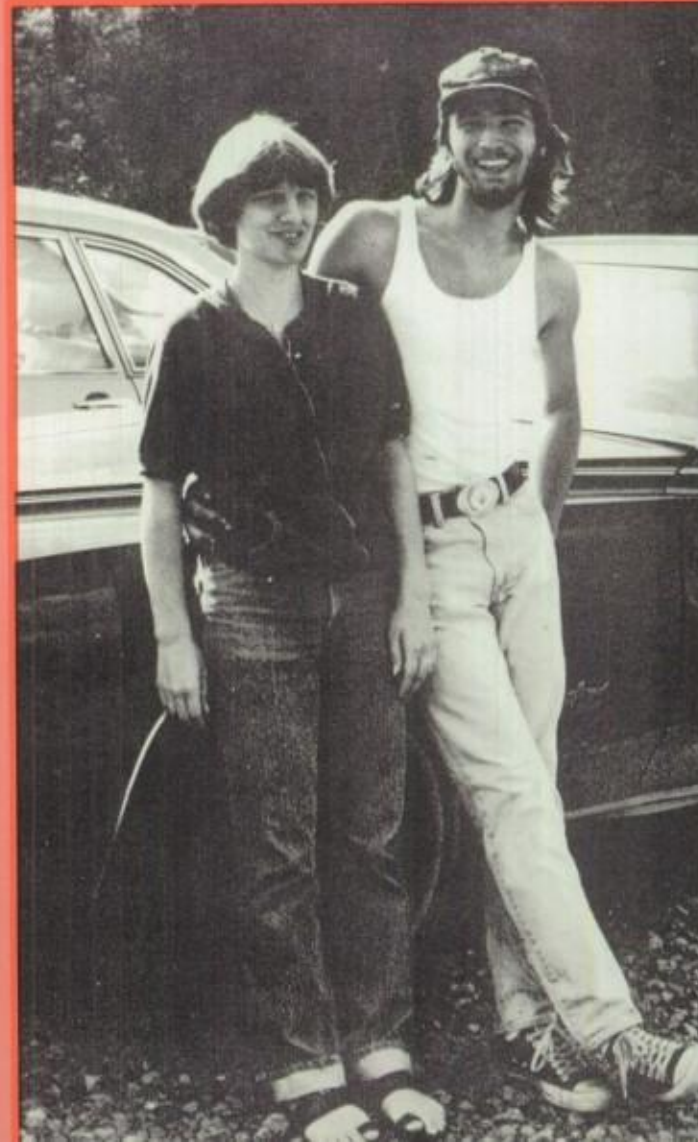

The Things Kids Do After School!

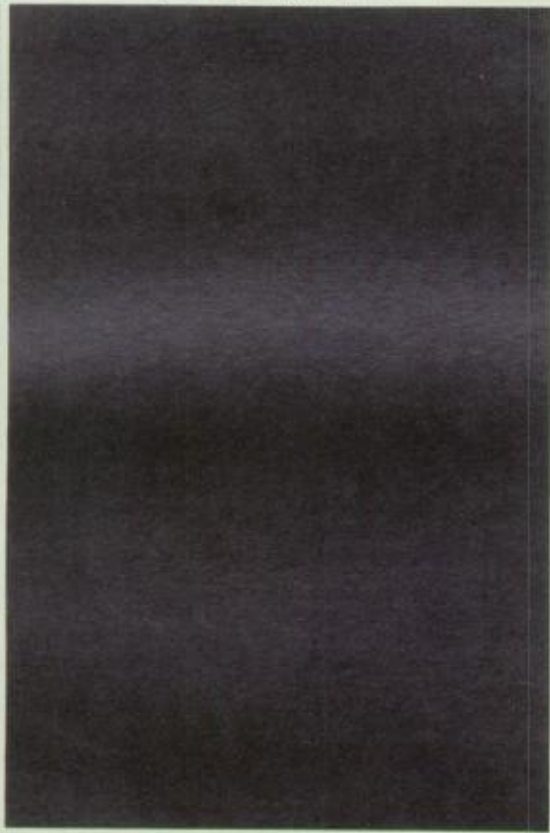

Life after school hours is just as involved for some students as it is during school. Many kids are involved in sports, band and clubs but there are also jobs, music, educational trips, errands and so goes the list — it's a busy world for our kids after school.

After school people
"Chow Down," they
involve themselves with
horses, electronic games,
dances, and some folks
even get married after
school!

“We’re the Class of ’81 We’re the Class That Has the Fun”

Jimmy Crow led the ticket for the Sophomore class officers. Class members sold candy as their fund raising project. The homerooms of Mr. Maddox and Mrs. Gregory led in candy sales. Plans call for the class to carry the money with them into their Junior year to help finance Junior expenses.

NINE PAIR OF TWINS! COUNT 'EM! NINE PAIR!

Late in the summer when Sophomore Counselor, Betty Salisbury, began working with her students, she couldn't believe what she found. Among the members of the sophomore class were nine pair of twins. We gathered together as many of them as we could and recorded for history this photo. Standing l. to r.: Jerry and Larry Smith, Kevin and Kent Sisler, Kim and Dawnett Kitchen, Kevin and Keith Howard, Gary Prince. Seated: Charlene Butcher, Robbie and Shree Belomy, Rodney and Barry Barbour, Leslie and Lewis Alexander. Inset: Charlotte Butcher and Larry Prince.

Sell More License Plates!

George Dickens said he sold ten Boyd County lions license plates but, like others in his class, he needed to sell ten more. Inflation ran up the cost of graduation and seniors had to scrape bottom to get enough money to pay for the flowers, programs, etc.

Meade Elected Class President

Four seniors, Caroline Crawford, David Meade, Greg Nunley, and Derek Spier campaigned for the office of President of the senior class. Several other candidates ran for the offices of vice president, secretary, treasurer, and chaplain. For their fund raising projects class members sold license plates, license plates, and license plates. Seniors had a senior play and also had a car wash in order to make enough money to underwrite graduation.

Senior officers were:

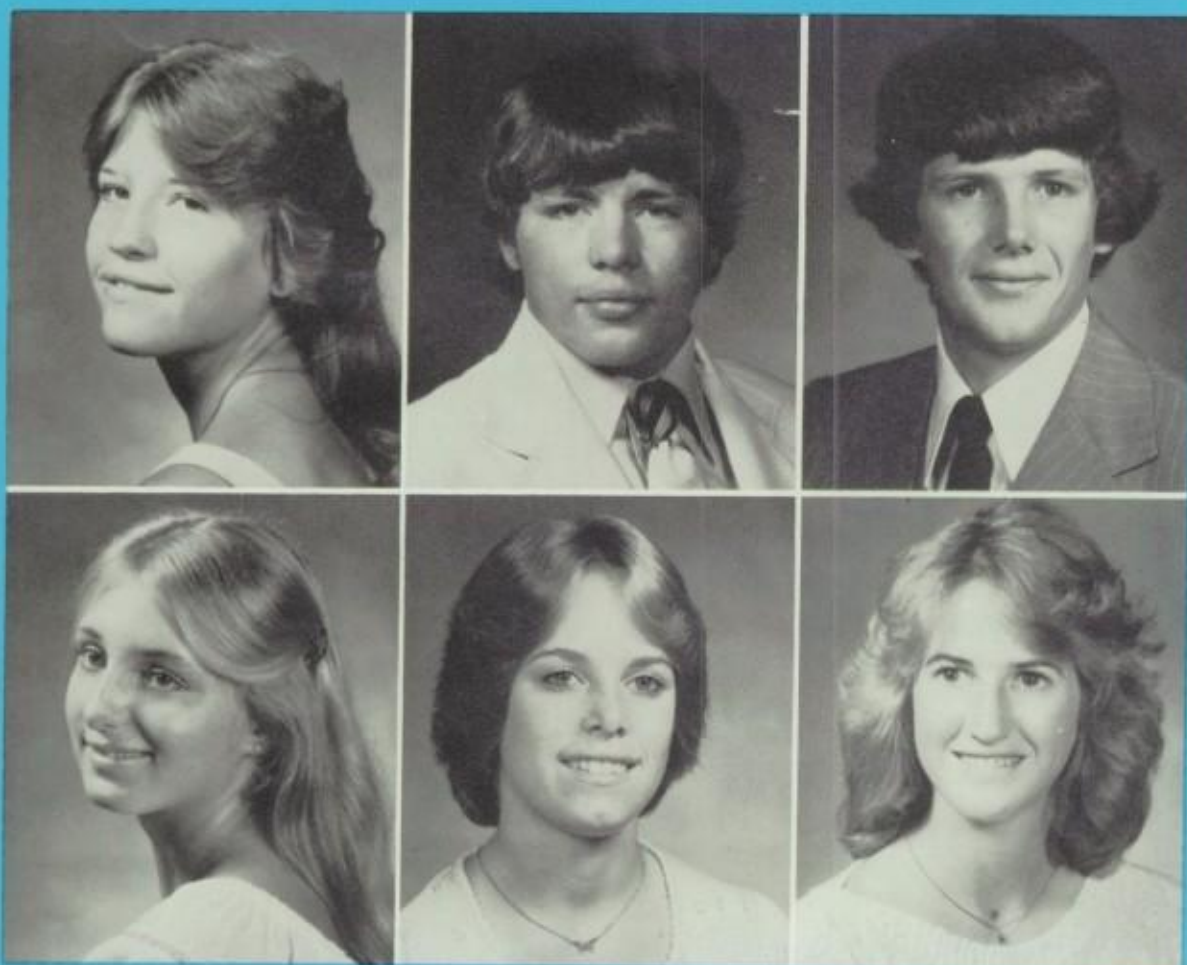

President: David Meade

Vice President: Jeff Bunch

Secretary: Shari Robinette

Treasurer: Jeff Esham

Chaplain: Robin Wallace

It's a Big Day When Seniors Order Announcements

Seniors were anxious about what day graduation would be. Mr. Hutchinson finally announced graduation for May 26. This was the first year for graduation to be held on a Saturday. They also ordered their caps and gowns differently. They measured their own height and weight, filled out the order blank, and dropped it in the box.

BOARD MEMBERS WORK TO HELP STUDENTS

BCHS Superintendent, Dr. Douglas Cole, and members of the Board of Education met monthly to discuss matters concerning the Boyd County schools.

Seated l. to r.: Bobby Joe Friley, Chairman; George Cooksey, Ernest Baker, James Adkins, Board Attorney. Standing: Don Smith, Dr. Cole and Don Griffith.

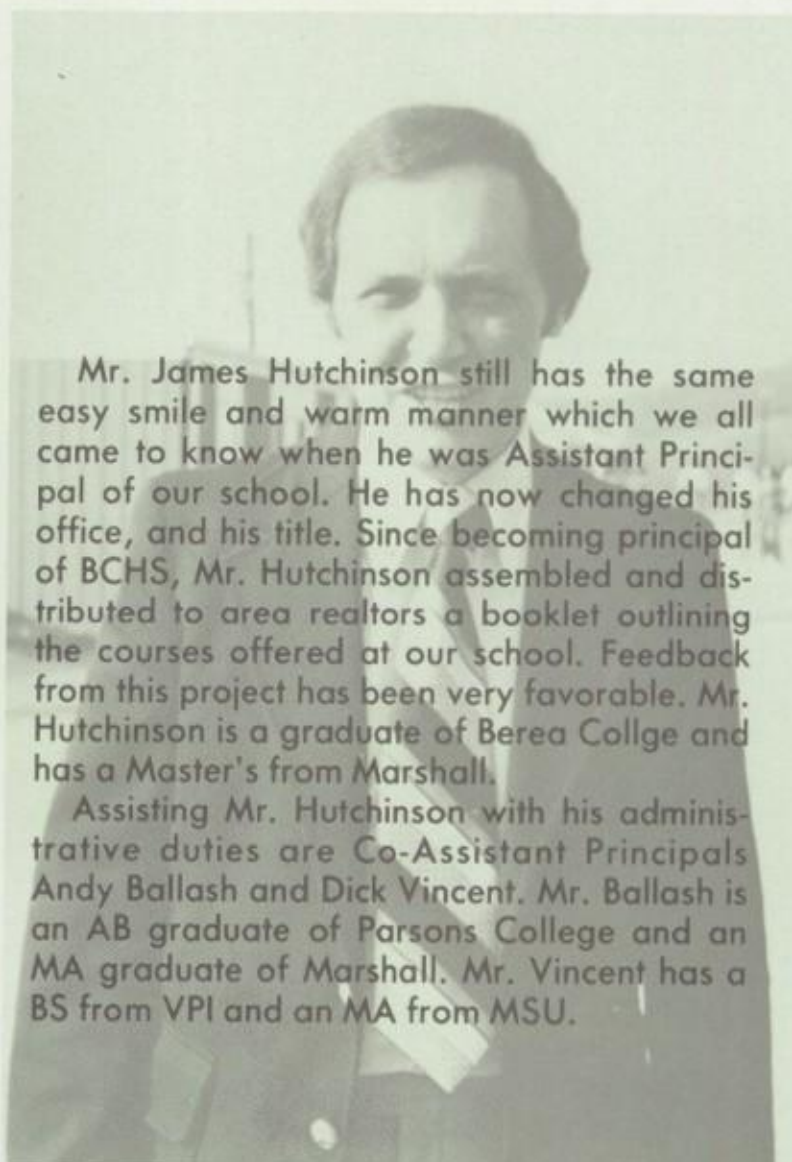

Delmis Donta, Assistant Superintendent for Elementary Education, Paul Adams, Federal Programs Co-Ordinator, and Dr. James Harper, Superintendent for Secondary Education, pondered the monthly Board agenda.

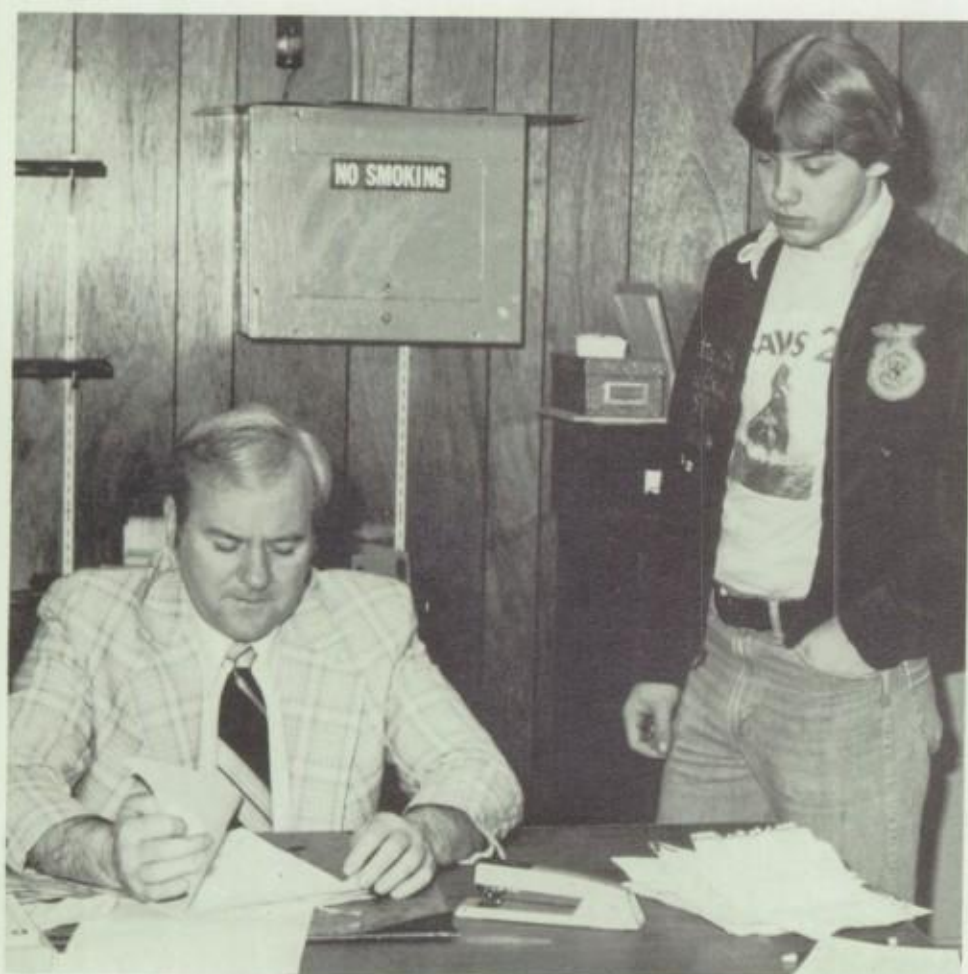

NEW FACES IN ADMINISTRATION

Mr. James Hutchinson still has the same easy smile and warm manner which we all came to know when he was Assistant Principal of our school. He has now changed his office, and his title. Since becoming principal of BCHS, Mr. Hutchinson assembled and distributed to area realtors a booklet outlining the courses offered at our school. Feedback from this project has been very favorable. Mr. Hutchinson is a graduate of Berea College and has a Master's from Marshall.

Assisting Mr. Hutchinson with his administrative duties are Co-Assistant Principals Andy Ballash and Dick Vincent. Mr. Ballash is an AB graduate of Parsons College and an MA graduate of Marshall. Mr. Vincent has a BS from VPI and an MA from MSU.

Jobs for Today's Seniors Are Very Hard to Find and Almost Extinct.

**Several Questions Have
Arisen Due to This
Problem. We Asked
Some Teachers if They
Felt That High Schools
Are Preparing Their
Students to Meet the
Challenges of Today's
Society. Some Replies
Were:**

ADDY ASHBY: "Yes. Students hold jobs and seem to manage them quite efficiently, even during their high school years. Also, more and more students are going on to college and maintaining good academic records."

RENA MILLER: "In certain areas only. The one area that is really neglected is money and finance. How to balance budgets, check books, etc. are not covered. Not to be prejudice, but vocational areas do more than basic classes in preparing people to face the problems of society."

TOM CAWOOD: "Yes, high schools provide more experiences than ever before. Preparation depends upon the individuals involvement in the experiences offered them."

ANNA ADAMS: "Yes, as much as anyone can. It is difficult to prepare someone for every situation they might encounter. We can provide them with the tools to work with, but they must meet the challenges themselves. We can only hope to have given them enough guidance and help develop moral character for them to make the decisions that will benefit them the most in terms of life time achievements."

Are We Getting Our Money's Worth?

**With the High Prices of
Typewriters and Other
Vocational Equipment,
We Asked Teachers if
They Felt That the
Money Used For
Vocational Areas was
Being Put to Good Use.
Some Replies Were:**

DORETHA MAY: "Much of the vocational money is used well because it teaches many practical skills, such as carpentry, electricity, etc. These are basic skills that cannot be learned in college."

BEVERLY FIELDING: "Yes, students who are not planning to attend college need vocational training. We have overlooked these students for too long."

JEAN WOODS: "Vocational education is a boon to our area, Eastern Kentucky, and its funding are dollars wisely spent. Many students, deprived of the opportunities offered through college training, can find and utilize their potentialities for successful employment when they participate in the vocational training program."

EQUESTRIANS HIT THE TRAIL

For a newly established club, the equestrians were very active. They traveled to horse shows to learn the secrets of preparing the horse and rider before they even entered the ring. They rode in the Ashland Christmas parade, and partici-

pated in the "singing sweep" held at BCHS. They also held two trail rides with picnics. The only requirement for becoming a member of the Equestrian club is to have a deep interest and appreciation for horses.

THE MOST ACTIVE CLUBS AT BCHS

FHA members launched the year with their tupperware, candy, and pecan sales. Profits from these activities funded their annual trip this year to the Fayette Mall. Community Service activities included parties for Ramey Children and the C.P. School. The girls served dinners to a Women's Club and a Lions Club, and gave breakfasts for the BCHS Cross Country, football and basketball teams. They served at school banquets and in the hospitality room at both the District and Regional basketball games. Twelve girls won State Degrees and two girls, Lisa Adkins and Melanie May, ran for Regional Officers. Each person worked to raise money to support a child through Christian Children's Fund.

SAE DOES MANY THINGS FOR TEACHERS, SCHOOL, BUT THE TREE TOPS THE LIST!

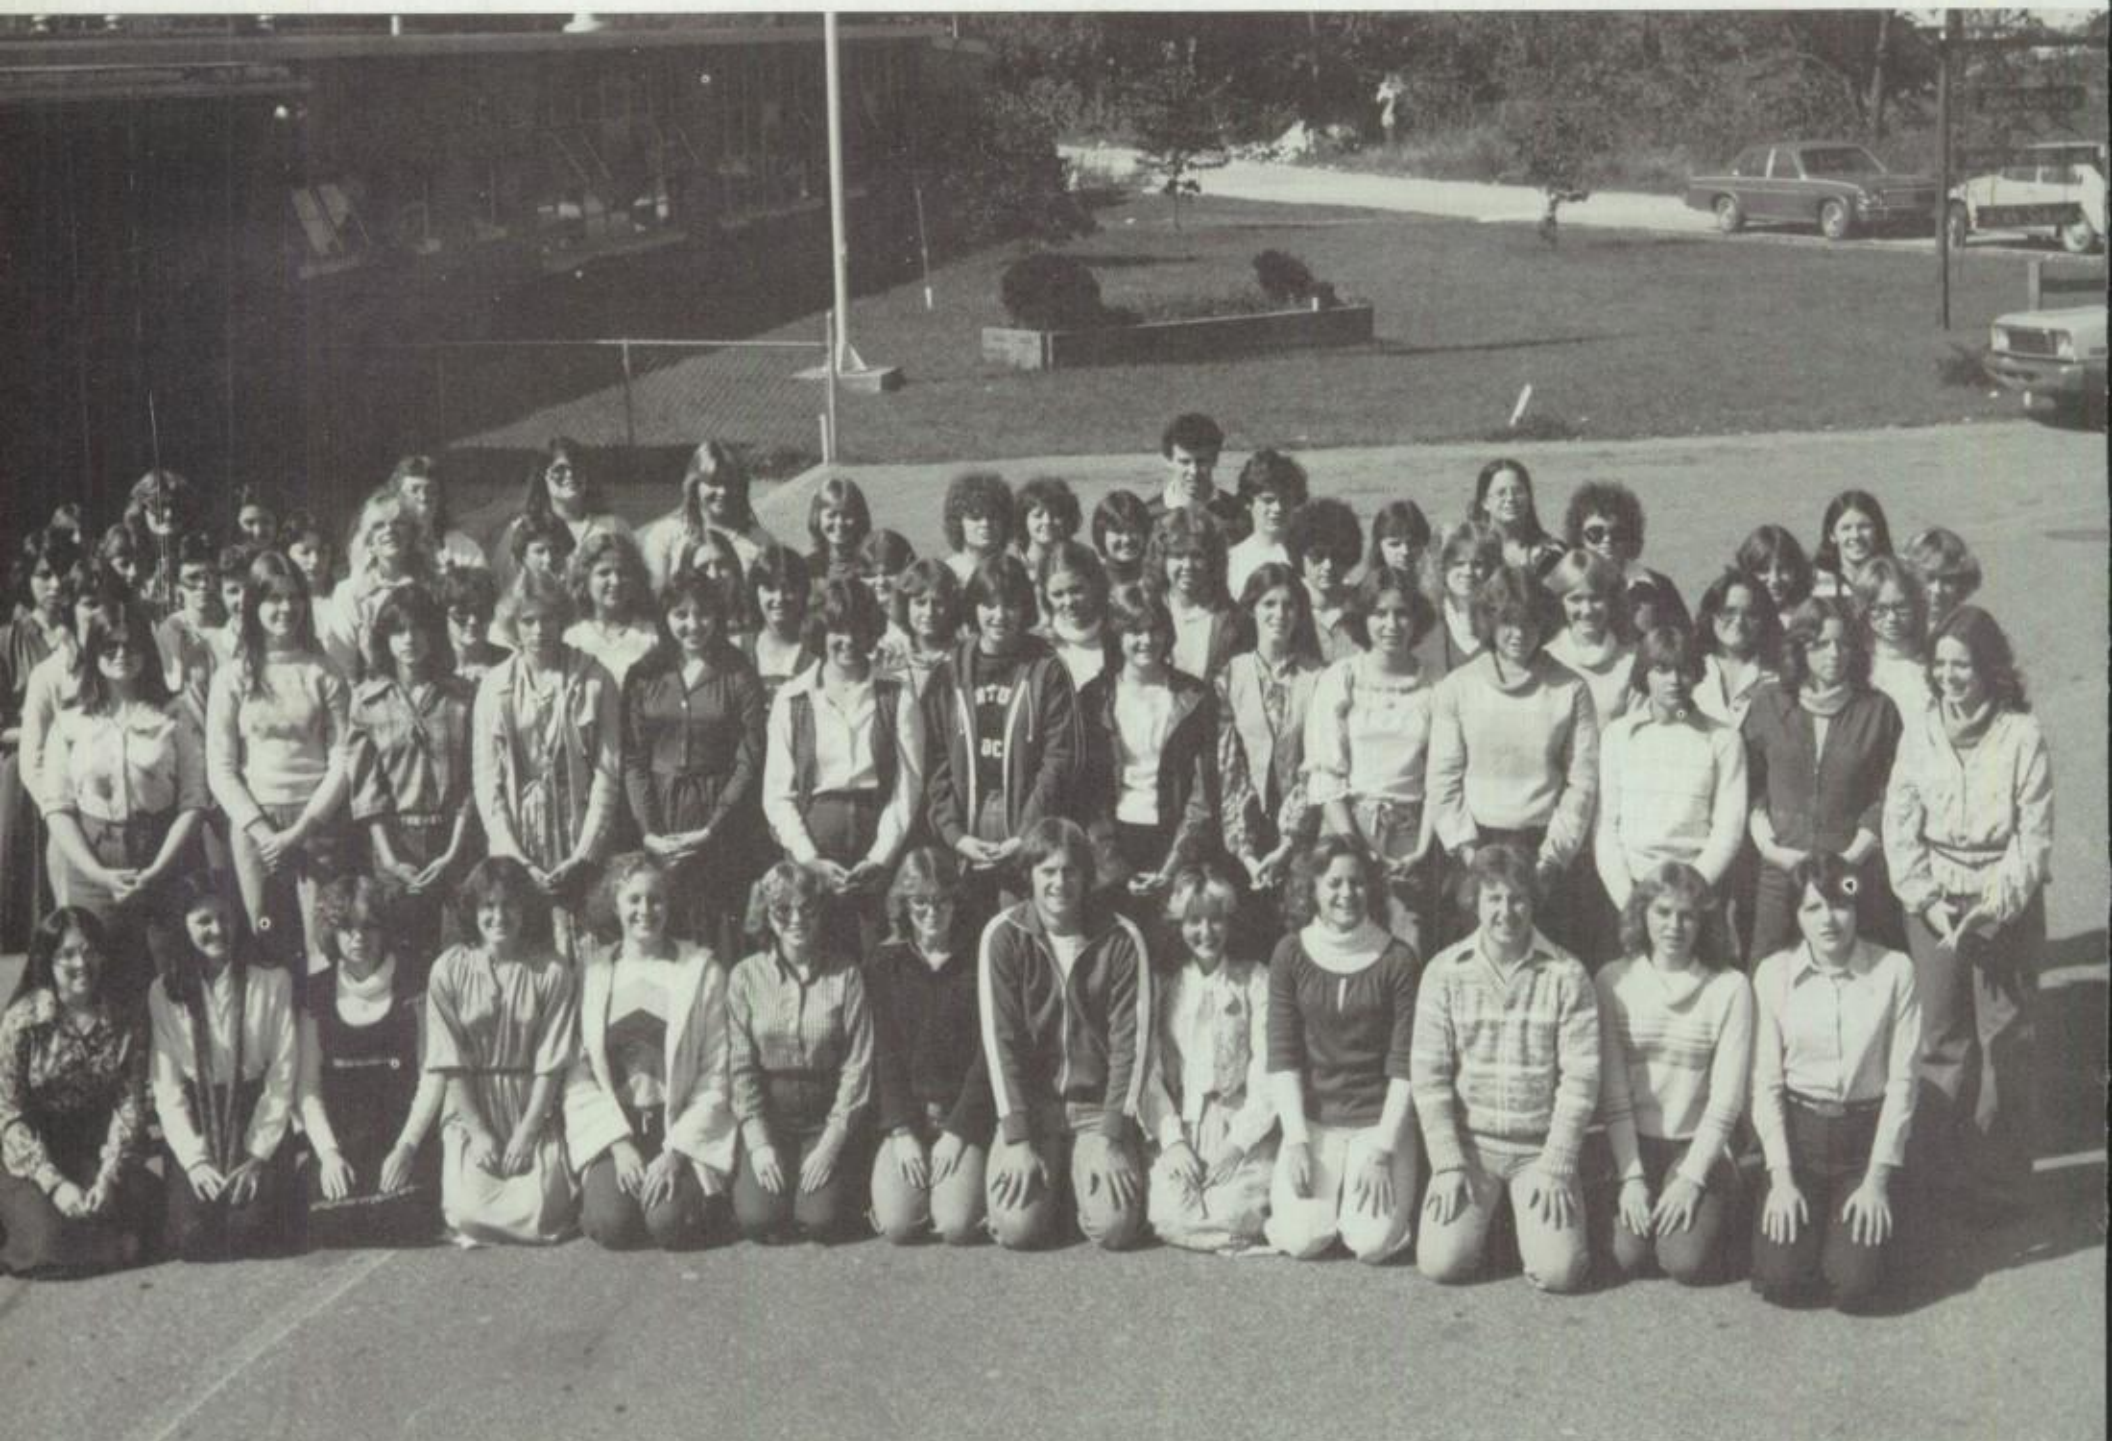

The Student Action for Education club spent a busy year. The members participated in the Student Council's "Sweep-a-thon", hosted a reception to welcome our new teachers, bought and decorated a Christmas tree for our school, and had a trim the tree party. Their final project was the sponsoring of Teacher Appreciation Week. Delegates from the group again attended their state convention. This year the group welcomed Mrs. Hazel Hall as their sponsor.

Loss of Powderpuff Throws Thespians

Early in the year, the members of Thespian Troupe 180 conducted their annual sale of "Turtles" (candy). Proceeds from this sale were used to buy a sound mixer for the mass media classes. At Christmas the active Thespians and sponsor, Mrs. Stoehr, enjoyed a performance at the Mountaineer Dinner Theatre. But the thing that threw the Thespians down for the count was not playing their annual Powderpuff football game. The BCHS team, cheerleaders and officials were ready, but Ashland copped out. This was the first time in eight years the Troupe did not sponsor a powderpuff game!

Staff Races Time to Get Ready for '79

Getting the HERITAGE ready for publication included working early in the morning, after school, on weekends, and long into the summer. The annual staff cropped, stamped, and snapped in an effort to finish the book on time. Some of the people stopped long enough to pose for a picture, but others worked right on through the photo session.

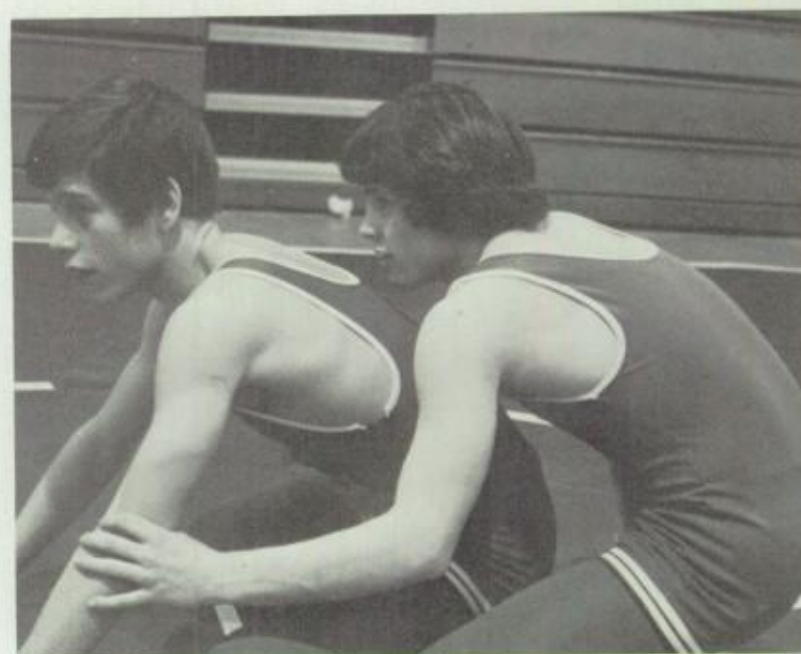

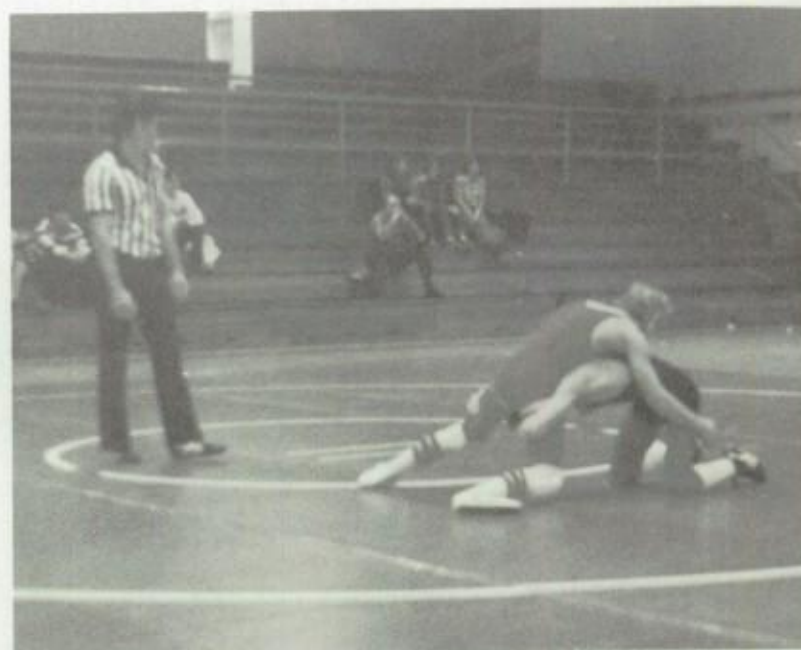

WRESTLERS HAVE GOOD SEASON

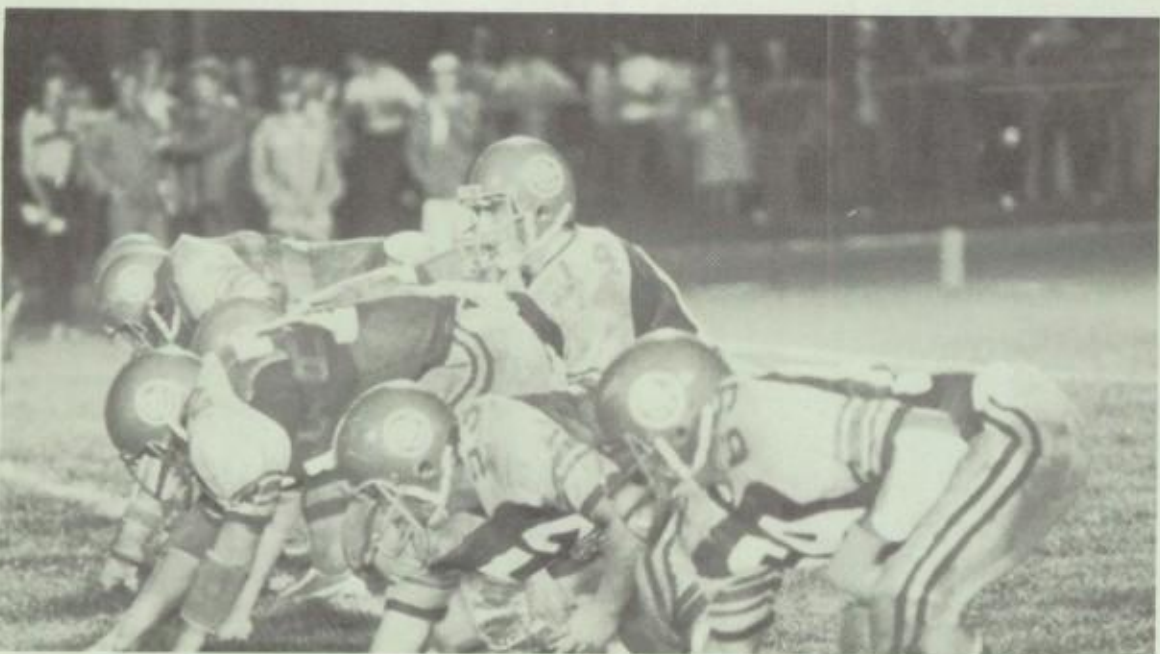

The '78-79 wrestling season was hard, but successful, for the wrestling Lions. Under the coaching of Jim Wulf, they won over half of their matches. The Lions participated in tournaments at Hurricane, Tates Creek and Huntington High, placing in the top 10 at each of them. The team competed at the Region, with Chris Hartley winning a spot in State. Here at Boyd County wrestling is a small but growing sport.

Team members were; David Meade, Bobby Callahan, Kevin Sinnette, Greg Moore, Lawrence Hilton, Rex McCarty, Chris Hartley, James Cordial, Bentley Collier, Bob McCormick.

Top: K. Sinnette was ready to break from an opponent. Middle: L. Hilton and C. Hartley warmed up before a match. Bottom: Coach Wulf watched a match.

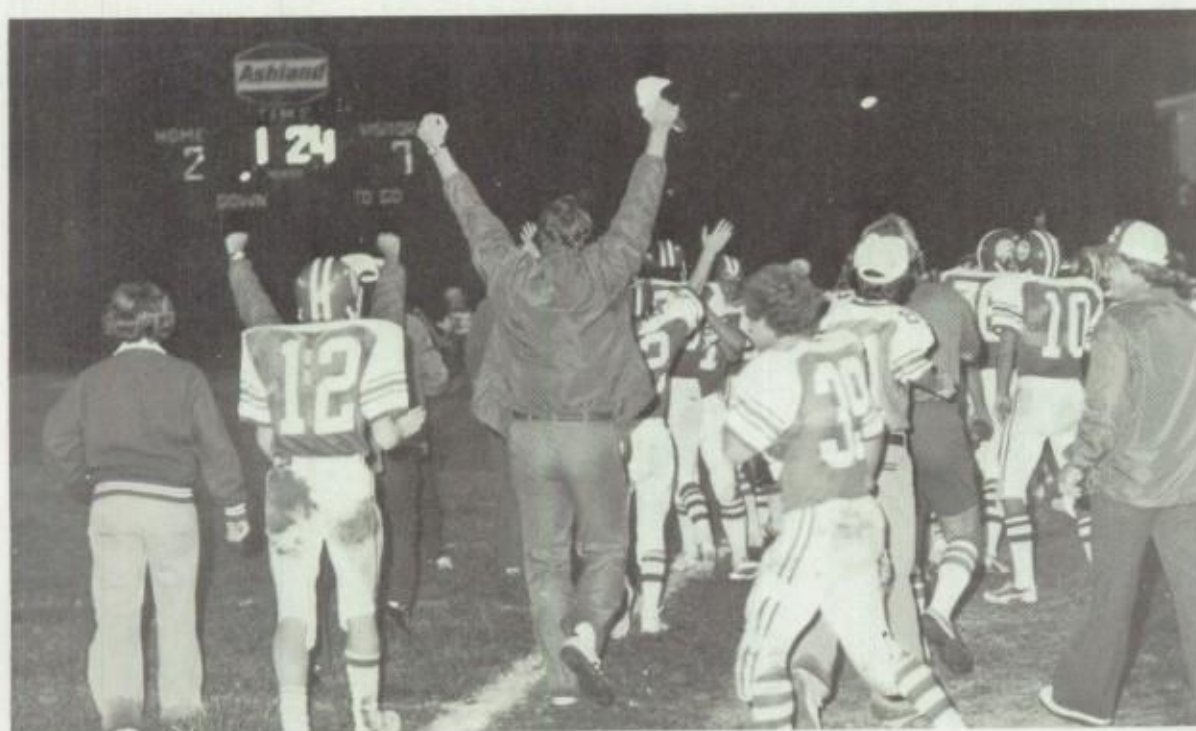

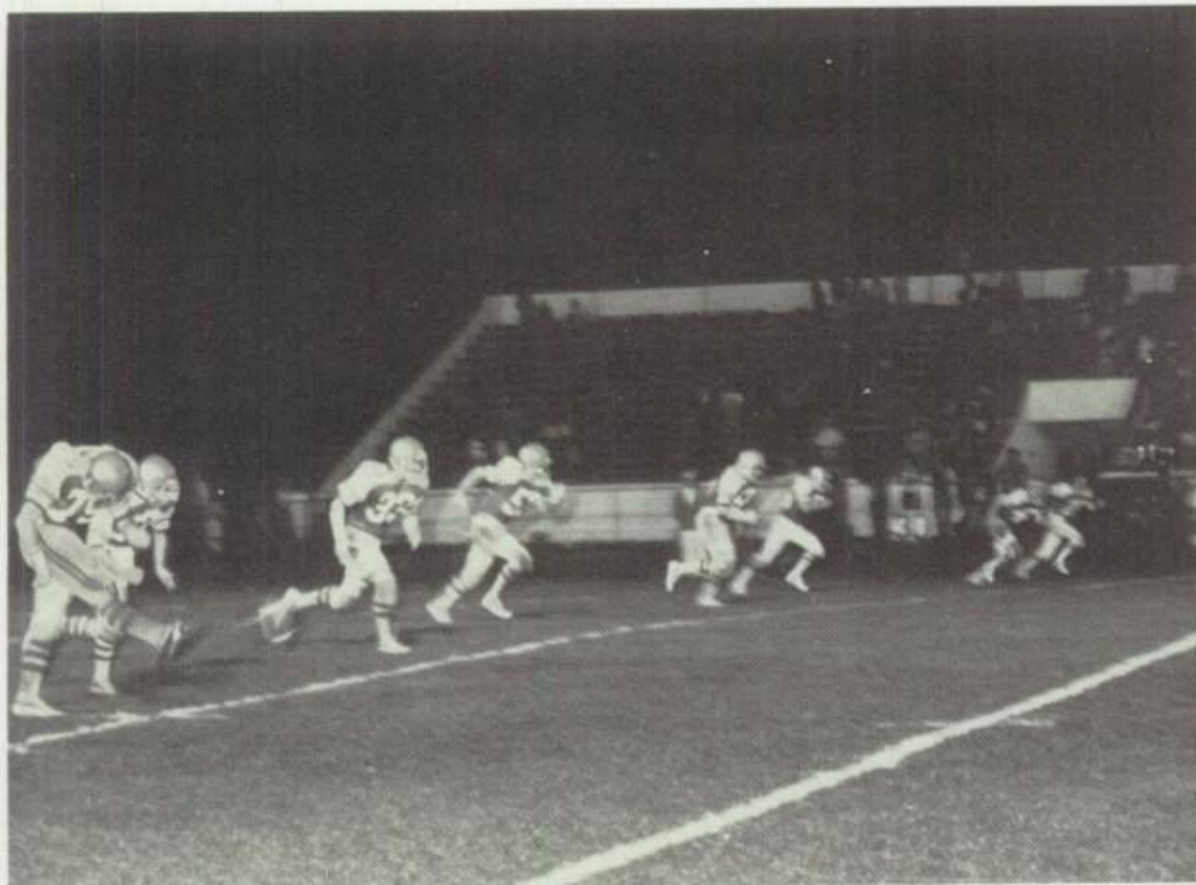

IT'S NICE TO BE A DISTRICT CHAMPION

The Lions started out the season looking like state champs leading Lafayette 14-0 at half time. It didn't last long though as the Generals came back to win 34-14. Coach Gregory's junior dominated team had its ups and downs for the rest of the season. Two of Boyd County's big wins were against Ashland and Greenup County. This was the first time in four years that Boyd County beat Ashland. The score was BC 20 — Ashland 2. The Greenup game was real squeaker. The Musketeers were leading with just two minutes to go. Sr. Jeff Bunch scored on a 10-yard touchdown run and the game belonged to the Lions. The season ended with a 5-4 record. Although their record was not outstanding, it was good enough to win them the District Title and a birth in the state playoff.

Left to Right: Cawood, Rhodenbeck, Wulf, Crum, Renfro, Heaberlin, Lester. Row 2: Crow, Hicks, J. Smith, Pennington, Horton, England, Sullivan, Carter. Row 3: Conway, Revely, Hunley, Griffith, Adkins, Tussey, Cyrus, Hall, Finfrock. Row 4: Cornette, Hill, Jones, McCallister, Reed, L. Smith, Crum, Stapleton. Right: The Lions were riding high over the Lafayette Generals with a half time score of 14-0. However, by the final buzzer, the tables had turned. The score was 34-14 with the Generals posting a big victory.

Above: The BCHS vs. Ashland game is always a biggie! This year was no exception as the team showed when, during the first quarter, BCHS went ahead of the Tomcats 7-2.

Football team members earned area and state honors. Winners were: Tri-State Athletic Conference: Jeff Bunch, Baron Holbrook, Vince Jones and Larry Church, with Honorable Mentions going to John Stevens and Ray Cornett. All-Area winners were: Bunch, Holbrook, Stevens, Mike Meade, Jones and Mark Nichols. All-State certificates went to Bunch, 1st team, and Holbrook and Jones, 2nd team.

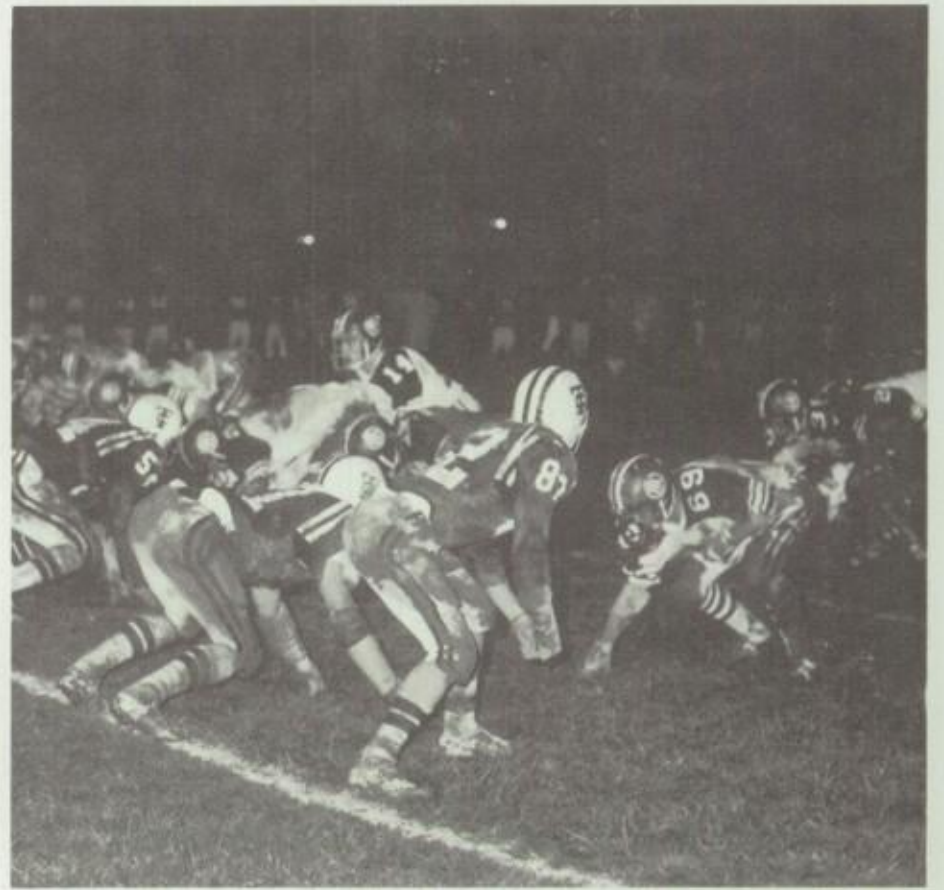

Top left: Richard Cyrus released the ball just in time to complete a pass. Right: Vince Jones went for extra yardage with the help of the blocking of Jeff Bunch. Left: Behind the blocking of Larry Church, Steve Hall ran for a touchdown.

Boyd County opened up the state play-off with a surprising win over Boone County 19-13. Both Jim Hicks and Richard Cyrus rolled up over 100 yards apiece during the play. The Lions' next game was a cliffhanger.

With 2 seconds to go the score was Bates Creek 14, Boyd Co. 13. A BCHS field goal was ruled invalid and the game was over.

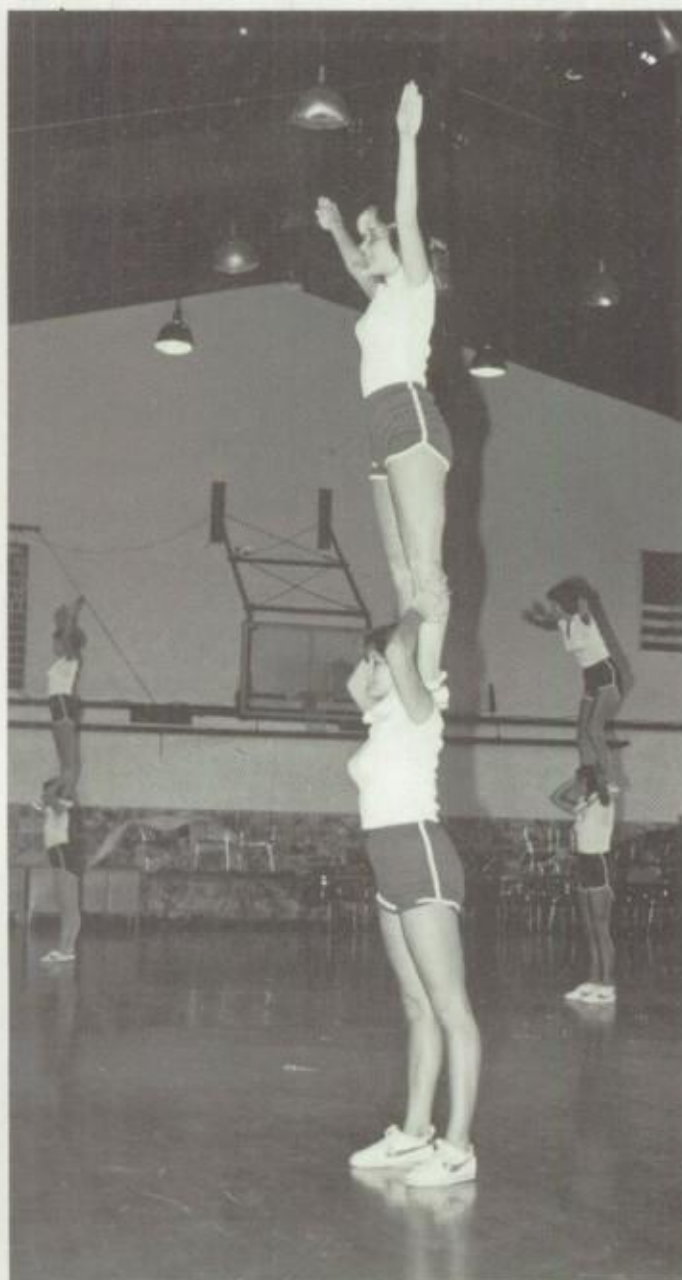

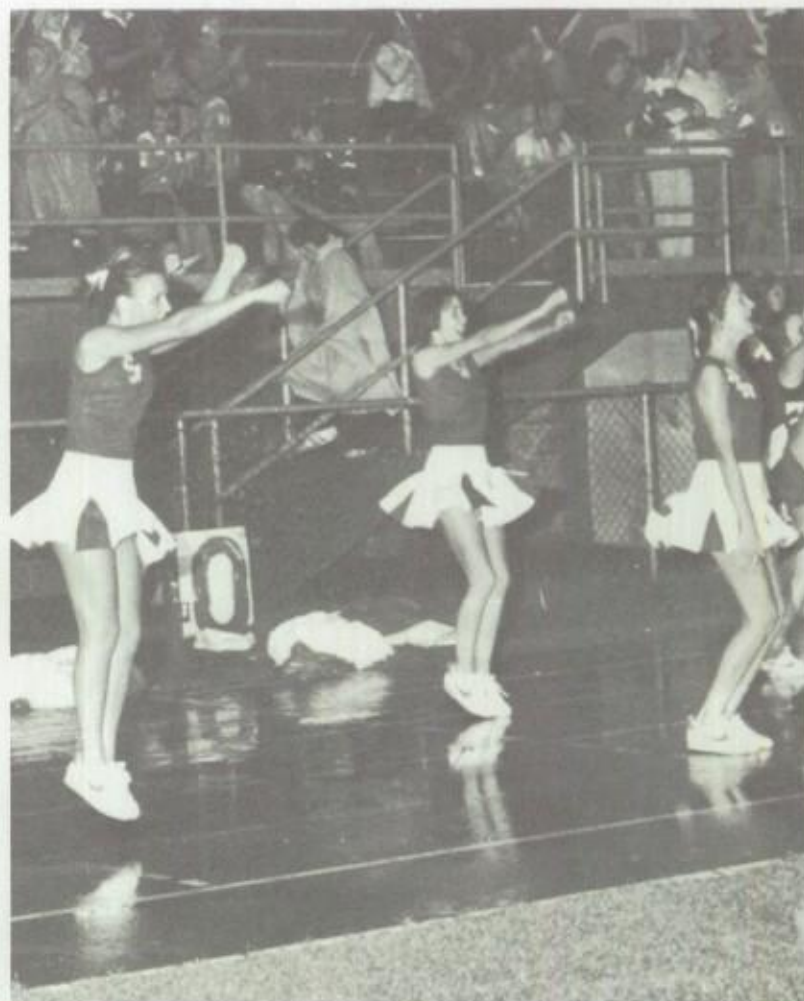

Cross Country Teams Have Successful Season

LIONS FACE REBUILDING YEAR

The Lions '79 season started with a line-up of Randy Donta at center, Ron Whitter and Ricky Whitt at forward and Jeff Sargent and Pennington at guard. Injuries to the starters prompted Coach Jeep Clark to draw from his top reserves: Greg Walters, Kevin Mullins and Richard Cyrus. The Lions went into District play with Holy Family, lost a close one and the following night took on Ashland for double elimination. Lost, and finished the season with a record of 12 wins and 11 losses. Coaches were Coach Clark, Assistants Roger Zornes and David Towler.

NEW COACH, NEW CLASSIFICA- TION FOR BOYS TEAM

The Boyd County boys' track team began the new season with a new coach, Paul Rice. Coach Rice had a fairly good sized team and he worked hard to get his team ready. Due to the fact that they were moved to a different classification the boys didn't have as good a season as was expected, but after a rebuilding year the boys should make a better showing. Awards were given to Dave Tackett, Darwin Bryant, and Jim Hicks at the end of the year awards ceremony.

This also meant they had to compete against Louisville for the first time at the state meet. At their end of the season banquet LuAnne Stewart and Mindy Boggs were chosen most outstanding track runners and Stewart was also given the Babe award.

"SUMMER NIGHTS" IS FITTING THEME FOR JUNIOR-SENIOR PROM

The day, Saturday, May 19, 1979, was bright and sunny, a fitting prelude for the Junior-Senior prom. The stars danced overhead while the pretty people danced inside the elegant El Hasa Party Room to the music of "Sunburst."

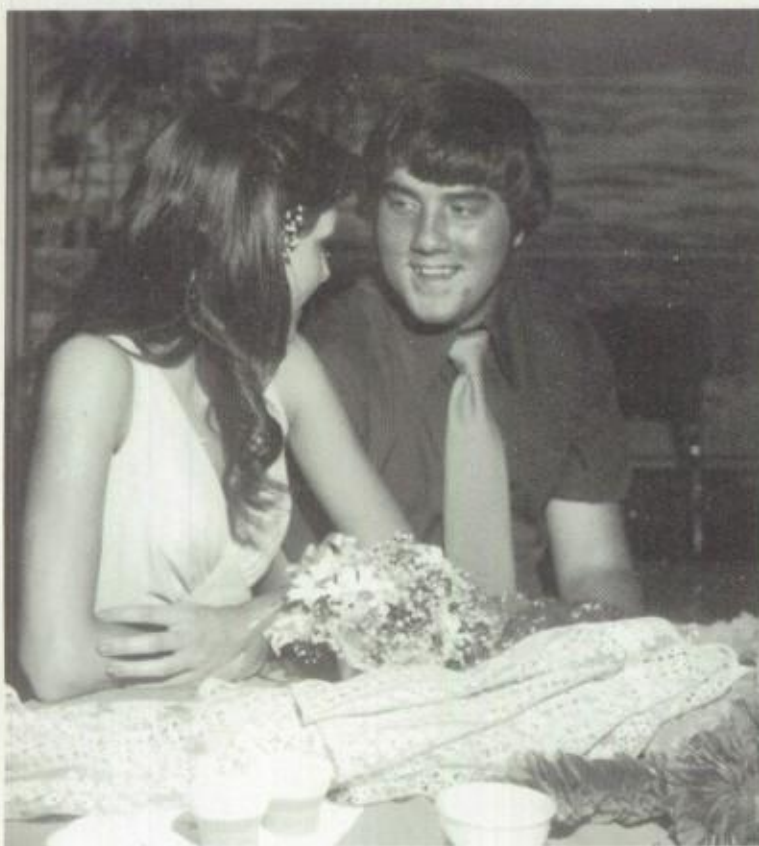

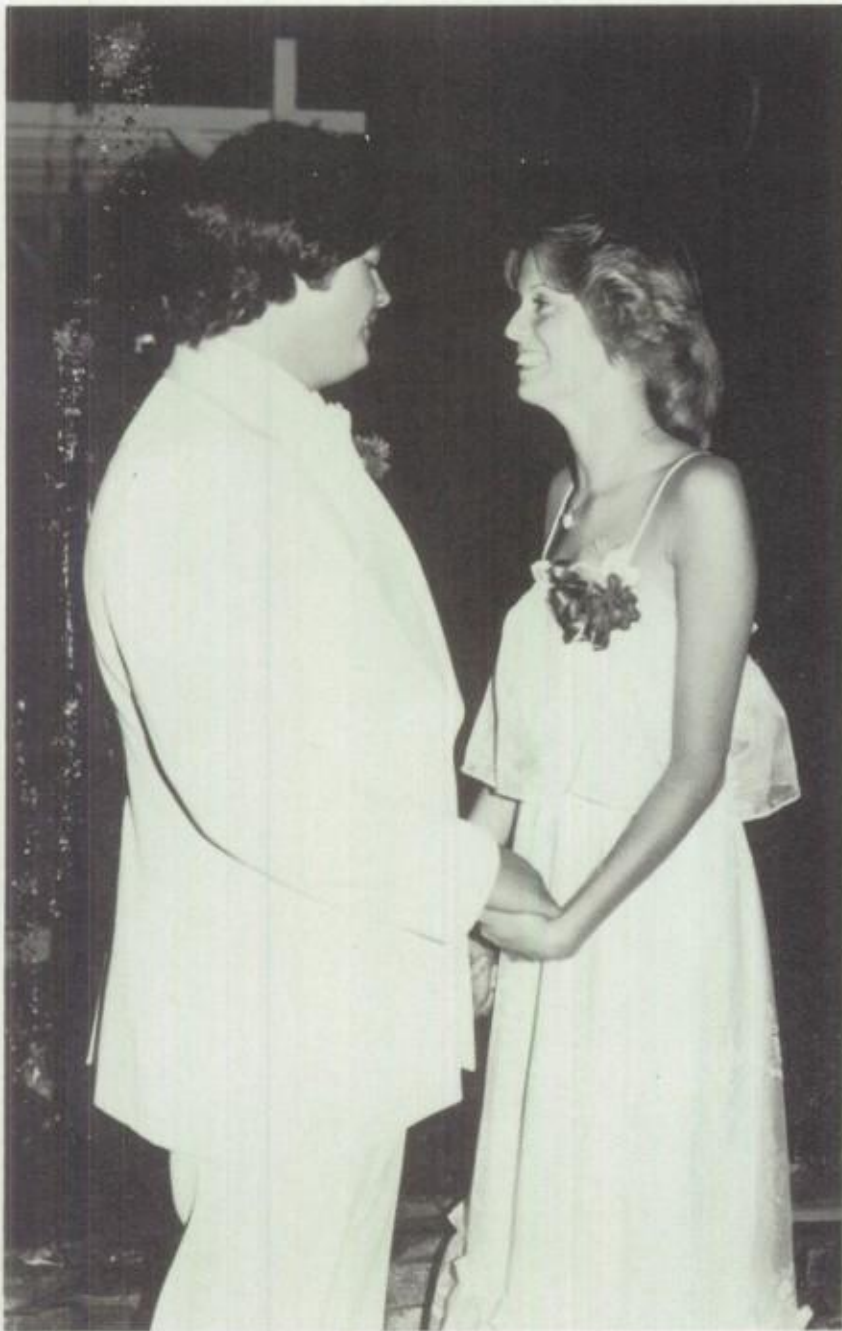

Friday afternoon and Saturday morning a

few of the juniors including Marion, Kim, Mike, Terri, Lisa, Gail, Greg and Dyke worked with Mr. Robert McGuire and Mrs. Hazel Hall putting up the pink, green and yellow streamer canopy, painting the white lattice arbor and hanging baskets of ferns and setting the live floral arrangements in place.

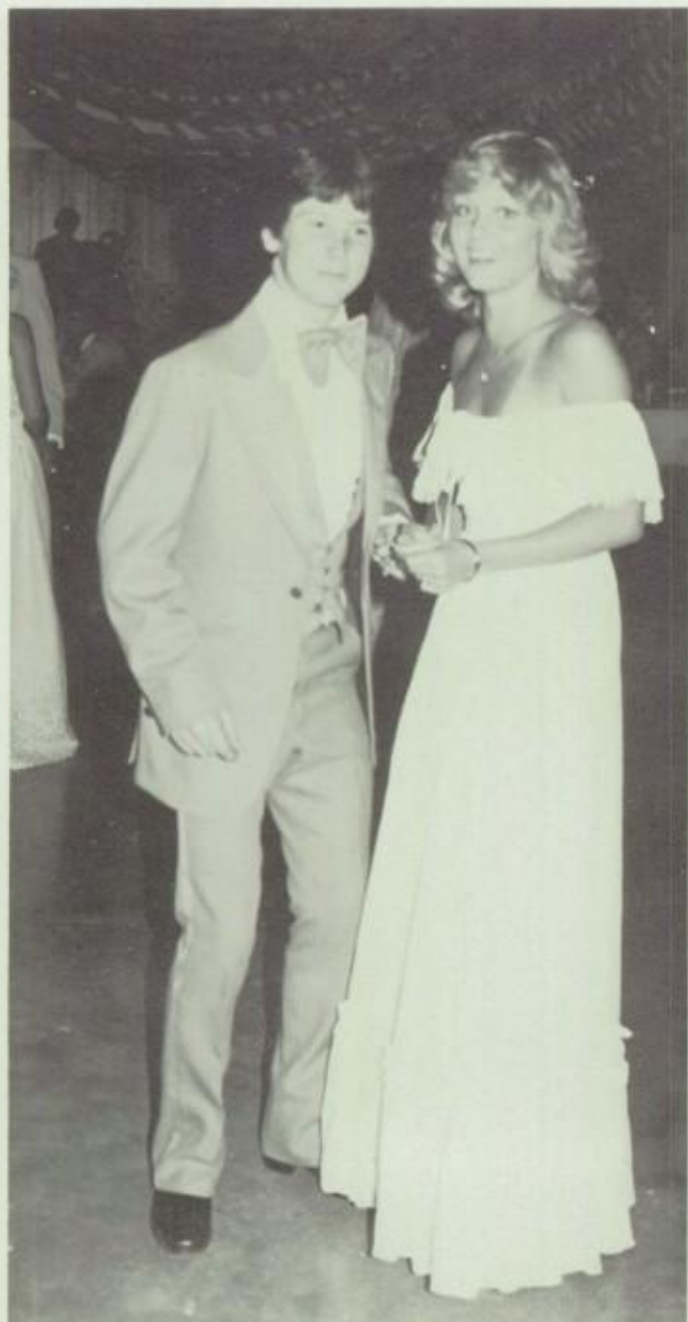

The Junior class spent over \$2000.00 on the dance, but the officers felt it was money well spent.

Couples started their "big evening" with dinner. Some dined on Polynesian food in a Hawaiian restaurant. Some ate a la Rome and some chose German food in a Swiss-German restaurant.

The white wicker porch swing made a perfect setting for taking prom photographs. The junior class rented the Cinema for an after the prom showing of "Love at First Bite," and after the movie many people had swimming parties and breakfasts.

The Shrine Party Room was large enough so that everyone could mill around and chat with their friends.

Maybe you didn't know that Ashland is more than an oil company.

But you should.

1. We're America's leading independent refiner and marketer of petroleum products. We have seven modern refineries with a combined crude oil processing capacity of approximately 400,000 barrels a day.
2. We're the world's largest highway paver, a versatile construction company and a builder of offshore drilling platforms and drill ships.

3. We're a chemical industry leader; we operate chemical and mineral product manufacturing and distribution facilities in 28 states and 13 foreign countries.

4. We're one of the top 10 coal producers in the nation with interests in Alabama, Illinois, Wyoming, Kentucky, Tennessee and West Virginia.

the Challenge

From coal to the atom to the sun . . . the universe pulsates with energy in many forms.

The challenge is to find ways . . . new ways . . . to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means — innovative technologies, exotic engineering, dynamic architecture — exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest . . . that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.

*My Own Special
Memories*

... and so, we say "thanks for the memories" to our school year 1978-79.

Those of us who have worked on this book have special memories ... of Saturday mornings when we met at school at 6:30 a.m. to type, draw layouts, stamp pictures and crop ... of afternoons when we went to the town library, commandeered three tables and proceeded to sort out our pictures ... of the hours on end we spent in the mobile units working with the book and of trying to get Mrs. Stoehr to let us go "at least by 9:30 p.m.," but she'd say "we just have one more club, or one more sport to do," and we'd wind up staying until 10:30 or 11:00. True, this book has been an awfully lot of work for a few people, especially Mike Bowling, John Miller and Lucy Lockett. But we all feel that if you like our efforts, it has all been worth while.

Working on art segments were Kenny Knuckles and Robin Reed. Kenny did the drawings of the new Boyd County seal. Margie Stoehr and Todd Carter did the graphics.

Classmates and seniors were done by Mike Bowling, Jill Bailey, Jeff Bunch, LuAnne Stewart, John Miller and Alison Wilson. Maribeth Rous and Toni Collinsworth did the faculty. The clubs and organizations took lots and lots of time. Mike, Alison, John, Jeff Bunch, Toni, LuAnne, Jill Bailey, Lucy and Todd did these. Jeff and Alison did football; John, Mike, Lucy, Maribeth and Kim Arthur did boys basketball and Maribeth and Lucy did girls basketball. LuAnne worked on the track and cross country; Todd on baseball; Kevin Sinnette on wrestling; Alison on tennis and Lucy on golf.

Advertising layouts were put together by George Dickens, Andy Garner and Mrs. Stoehr. The Index was the work of Beth Spurlock and Rhonda Ross, with assists from David Seagraves and Richard Cyrus. Proof was read by Mike Bowling, Todd Carter, Jennifer Baker and John Miller.

School photographers were George Dickens, Bob Meade, and Mrs. Stoehr. Professional photographers were Lou Chaboudy, Barbara Browning, Steve May, and Randy Fraley.

The book was published by Taylor Publishing Company; and our Taylor representative was Russ Rivard.

Margaret Hoenig Stoehr was the faculty advisor.
